Extract from file bearing D.No 3422/B. 3485/CB.

In O.M. No. 878-88/C.B. 38-49-1 dated 1st August 1949 from the Chief Secretary to Government it was indicated that all important correspondence to G.O.I. could pass through the Chief Secretary. In O.M. No. 3063-72/C.S. 38-49-2 dated 3rd October 1949 it was further clarified that only important correspondence should pass through him, the object of the procedure being that the Chief Secretary should be appraised of all important correspondence with the G.O.I.

2) In the present case, the G.O.I. wanted information regarding the No. of children Aid Societies and the Financial assistance the State Government gave to them. Reply was sent furnishing the information required

3) In the linked file, the first subject related to U.N.O. reports. Only acknowledgment of the letter was sent to G.O.I. The other subject in the linked file related to information in a tabular form regarding development of basic education in the State. The information required was sent to the G.O.I.

4) Such letters seeking information, statistics etc., are received in large number from the G.O.I. There will be no financial or other commitments while furnishing such information nor even the question of policy arises. They were not considered as so <u>important</u> as to pass through the Chief Secretary.

5) In this branch many letters are addressed to Government of India regarding passage arrangement, securing seats in foreign universities and making funds available for foreign scholars in pursuance of orders passed regarding scholarships sanctioned in council. It does not appear to be necessary to send all these communications through the Chief Secretary.

It

6) It appears to be better to clarify the position further. It would perhaps be enough if subjects relating to any question of policy or involving any financial or other commitments which have not been sanctioned in council pass through the Chief Secretary. In cases which have been sanctioned by the Council, the Chief Secretary will have already known them and further action may be taken without reference to him.
